As you will see for your self hotel it is above averagly rated on major booking websites, but beside value for the money benefit it has one major advantage. It is only 1.3 km (less than a mile) or 10 -15 min walking away form the meeting venue – Agrifaculty. Be aware that the number of IPEMA designated rooms is limited to 40 and will be available on first asked first reserved basis.

Due to the fact that Belgrade is lacking Hotels, in general, no other hotel, except Tulip Inn, was willing to reserve contingent of rooms with a fixed price for IPEMA meeting. All the other asked for advanced payments and strict cancelation policies.

However, Airbnb rental apartment seen has also geared up in Belgrade lately, so you might find something reasonable if you do not wait too much.

For any other king of doubts and question please do not hasitate to ask me.

Kind regards

Igor
