

The moment you exit the baggage claim and customs at the airport you will see people waiting for their guests and loved ones but right behind them (from right to the left) there will be exchange office, taxi info counter and exit to taxi station.

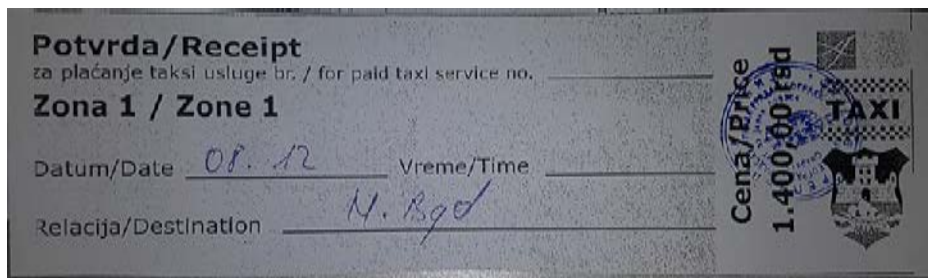

First you will go to exchange office and change no more than 20 EUR (they will not accept coins) receiving around 2.300 Serbian dinars. Then you go to the taxi info desk and you tell them that you need taxi voucher for New Belgrade or Zone 1. He will give you the voucher with pre-printed price of 1.400 dinars but you do not pay any money to him.

Now that you have the taxi voucher that looks exactly like this:

You just have to exit the airport door and walk 10 steps to the first taxi driver a side to the Welcome to Belgrade sign. Then you give him the voucher, the 1.400 dinars and a written name and the address of the **Hotel Tulip Inn - Palmira Toljatija 9, Novi Beograd, 11070 Belgrade**. That's it, he will take you there and no price negotiations are allowed. This is why you needed a voucher in the first place.

For any other kind of doubts and question please do not hesitate to ask me.

Kind regards

Igor
